

For supervisors/managers looking to create a deeper understanding of who they are as leaders and strengthen their skills in practical ways.

Session Description

The TLS Leadership Forum™ is designed to support managers/supervisors in exploring the essence of who they are as a leader ('how they are being'). Participants then take this insight and explore 'what they are doing' as a leader in terms of building relationships and communicating with others effectively. In the forum we discuss a broad overview of leadership qualities and skills, while taking a deeper look at some of the key aspects of successful leadership. Participants are guided by certified coach trainers, and supported by peer learners, in a highly interactive learning environment.

Below are the topics included in The Leadership Forum:

Explore 'how you are being'

- * Leadership 101
- * Define Core Values
- * Emotional Intelligence
- * Create Balance

Explore 'what you are doing'

- * Communicate to Drive Action
- * Become a 'Coach-like Leader'
- * Give Constructive Feedback
- * Build Team Trust

What participants are saying about the forum:

- * *"Amazing training, so well organized & helpful, insightful. Loved it!"*
- * *"I feel like a stronger employee and supervisor! Would love to sign my staff up for this training as well."*
- * *"Hands down the best webinar I have been to in years. Great content and great interaction. I would highly recommend to my leadership."*
- * *"Excellent training - loved the focus on who we are as individuals versus just giving us one size fits all advice and tasks."*
